

Meeting Agenda

We are preparing a mobility planning tool and performance measures for eastern Broward County and southeastern Palm Beach County, centered on the I-95 corridor. Implementation strategies and performance measures relate to the plan's previously agreed upon objectives and functions of the system, facility types and place types.

Welcome & Project Overview (15 minutes)

- Introductions
- Review of project to date
 - Facility Types, Place Types, and Functions
 - Future Vision Map
 - Purpose of Strategies & Performance Measures
- Meeting purpose (see Meeting Objectives below)

Strategy Tool Overview (5 minutes)

- Brief review of the Strategy Tool

Performance Measures (25 minutes)

- Review the Performance At-A-Glance dashboard (within the Executive Summary)
- Complete baseline assessment and dataset to be available on project website

Monitoring & Evaluation (30 minutes)

- Review the Monitoring & Evaluation Plan (within the Executive Summary)
- Review the draft example resolution (see handout)
- Group discussion on Priority Actions for the coming year

Next steps (5 minutes)

- Timeframe for comments and revisions

Strategy Tool Hands-On Training (25 minutes)

- Demonstration of how to use the Strategy Tool (Microsoft Excel file)
 - This is an opportunity for you to learn how to navigate, search, and use the Strategy Tool. Please bring a laptop computer if you have one; a limited supply of laptop computers will be available at the meeting.

Meeting Objectives

- Share results from the performance measures baseline assessment
- Explain how to use the strategy tool
- Discuss priority actions for the coming year
- Review timeline for finalizing materials for this year

Strategies tell us **how** we can achieve or maintain goals/objectives and improve how the system, facilities and places function.

Data and targets for **performance measures** tell us **how well** we are doing in maintaining or improving how the system, facilities and places function.
